## LATIN AMERICA

**Niños en Alegría** has carried out many projects aimed at improving conditions of education for children who are in precarious situations. In 2007, Niños en Alegría became an operating partner of **UNICEF**. Its mission is to improve conditions for child education in primary schools in marginal areas of **Guerrero** to allow children to **develop their maximum potential** in both education and social skills.

## NORTH AMERICA

**Children's Health** is committed to making **life better for children**. As one of the largest and most prestigious pediatric health care providers in the country and the leading pediatric health care system in North Texas, **Children's Health** cares for children through more than **750,000 patient visits annually**.

## EUROPE

**Real Madrid Foundation**  
The Real Madrid Foundation has been contributing since 1997 to the **well-being** of the most disadvantaged children and those at risk of exclusion, educating children based on the positive values of sport. With over **650 projects in 80 countries worldwide**, tens of thousands of children have increased their self-esteem, their motivation to improve themselves, and have learned the value of teamwork.
